CONFIDENCIA 2012

BLEND: 80% cask-fermented Chardonnay, 20% Pinot Noir

CELLAR-AGED: for 6 years

DOSAGE: 7 g

APPEARANCE: Amber yellow with satiny bronze-green hues. Lovely fizz giving off persistent bubbles before settling into a slender, dense cordon.

NOSE: the creamy opening rapidly changes to more balsamic notes of eucalyptus, geranium and lemon vanilla. The wood is delicate and nuanced but very much present, adding complexity and an element of fantasy.

PALATE: a lovely lively attack of firm candied citrus rapidly develops into a tender bitterness of walnut skin and mandarin peel which comes from the controlled oxidation of this wine which is cask-matured before blending. This is where the balsamic dimension comes into its own with peaty, spicy tobacco notes.

STYLE: This is the Liébart-Régnier signature cuvée, a complex, full-bodied representation of our know-how and expertise: the blend of grape varieties from an exceptional year and a combination of wine-making techniques.
